To our Customers,

This notice is to inform you that the Water District is filing revised rate schedules with the Maine Public Utilities Commission in compliance with Title 35-A, MRSA Section 6104, to be effective April 2, 2018.

An informational public hearing will be held on Tuesday, February 13, 2018 at 6:30 pm at the Brick Store Museum Program Center at 4 Dane Street, Kennebunk, ME. The purpose of the hearing is to present the proposed new rates and to respond to your questions.

This rate change, the District's first since 2015, is to increase revenues from metered sales of water and fire protection charges by 6.6%. The following table summarizes the proposed rate revisions by customer class, which are shown on an "across the board" basis.

	<u>Existing Revenues</u>	<u>% Change</u>	<u>Proposed Revenues</u>
Annual-Residential & Commercial	\$4,232,307	6.6	\$4,511,639

You may review data relating to the present and proposed rates at the District Office before the hearing. You have the right to an open and fair hearing and the right to further hearings before the Commission. The Public Advocate is available for assistance to you in this matter upon request. The Public Utilities Commission may be contacted at 287-3831, State House Station 18, Augusta, ME 04333 or the Public Advocate at 287-2445, State House Station 112, Augusta, ME 04333.

If within 30 days of the public hearing, 15% of the customers of the District file petitions with the Treasurer of the District and the Commission demanding a review of the rate changes by the Commission, the rate change may be suspended, investigated, reviewed or changed in accordance with Title 35-A MRSA, Section 310. Signatures on the petition are invalid unless accompanied by the printed names and addresses of the signers. Upon request, the District will provide customers with the appropriate petition forms.

Sincerely,

Normand R. Labbe
